

PROFILE

I am a passionate individual who has dedicated my life to pursuing my love for music. My journey has led me to the vibrant city of Berlin, where I have had the privilege of honing my craft and immersing myself in its rich cultural scene. In my pursuit of personal growth, I embrace the unknown and take calculated risks that challenge me to become a better version of myself. With fluency in four languages, including Spanish, English, Italian, and German, I am eager to connect with people from different cultures and backgrounds, always seeking new opportunities to expand my horizons and learn from others.
